

Providence WA Anesthesia Services PC, an anesthesia provider (“Provider”) to a local healthcare facility, is providing notice of a July 15, 2022 data security incident impacting its Management Company that may have resulted in the compromise of protected health information for the Provider’s patients. Information stored in the Management Company’s system could include some combination of patient names, addresses, health insurance policy number, Social Security numbers, payment information, and health information such as treatment and diagnosis. Additional security controls were implemented to secure the system and protect patient information.

Patients should monitor credit reports and financial statements for suspicious activity. Call (833) 764-2864 Monday - Friday from 9am - 9pm Eastern Time for questions.
