

Home for the Holidays in Snohomish Saturday, November 28

Be sure to enter the Snohomish County Tribune's
\$100 Shopping Spree drawing!

Here comes Santa Claus!

Santa will be at Randolph Cellars from 11am - 3:45pm on Nov. 28 and 29 for Santa Photos. Please follow signs around the back of the building and keep 6 ft. from anyone that is not in your household and keep your masks on! Santa and children will sit on separate seats 6 ft. apart and kids will get to talk to Santa through old fashioned can phones! Since this will be different for kids we ask that you prepare them for the engagement so that they understand they can't make contact with Santa (we need to keep Santa safe so he can deliver all those toys!)

At 4:30 pm the Historic Downtown Snohomish Association will host Story Time with Santa via live stream on Facebook and Instagram, so be sure to tune in!

The Community Tree-lighting will be virtual this year! It will be live streamed at approximately 5 pm. with holiday music via Facebook and Instagram. Tune in!

You will also find Giving Christmas Trees at major intersections on First St. with tags filled with needs from varying local charities. Grab a tag, purchase items, and bring them to Sprig Flower Co. or Randolph Cellars any day of the week or bring them to the town tree on Dec. 12 from 11am - 5pm.
